### **World Intellectual Foundation and JNU announce a Landmark Partnership**

New Delhi, India – June 10, 2024 – The World Intellectual Foundation (WIF), and Jawaharlal Nehru University (JNU), India's most prestigious university, today announced the signing of a Memorandum of Understanding (MoU) to embark on a ground-breaking collaborative initiative.

This partnership signifies a significant step forward in WIF's mission to foster synergies between academic excellence and social progress by driving impactful research, analysis of developmental economics, focusing on implementing bold, innovative, and pragmatic research-driven ideas. Both organisations aim to leverage this MoU to formally establish a collaborative framework for visionary project works.

*"This partnership marks a pivotal moment for WIF," said Dr. Rubina Mittal, Director of Research & Innovation at WIF. "By joining forces with JNU's esteemed faculty and researchers, we are confident that we will together embark on the road of intellectual pursuit. We are thrilled to embark on this journey together and contribute meaningfully to societal progress."*

Prof. (Dr.) Santishree D. Pandit, Vice-Chancellor of JNU, echoed this sentiment, stating, *"JNU is happy to collaborate with WIF on significant initiatives. We believe that this collaboration has the potential to illuminate powerful pathways for positive social change and it holds immense promise, and we are committed to its success."*

At the time of signing the MoU, Prof. Ravikesh (Registrar, JNU), Shri. Umakant Agarwal (Jt. Registrar - Evaluation, JNU), Dr. Shuchi Yadav (Chairperson, Centre for Media Studies, JNU), Hemangi Sinha (Project Head, WIF) and Basant Gupta (Director, WIF) were also present.

**About WIF** - World Intellectual Foundation (WIF) was conceived in 2021 by Shri Sudhanshu Mittal Ji. It is a global non-profit and a non-partisan think tank headquartered in New Delhi. It works on diverse topics and themes to promote Global Peace, Prosperity and Sustainability.
